Welcomes WLTL: A  
Station Forever Young &  
Forever Renewed**

Sometime toward the end of the 1967 school year, two juniors at Lyons Township High School in La Grange, Illinois, requested a meeting with the District Superintendent. They had an idea that the school should establish its own radio station, in-house and student-run...Today, that station is not only the voice of its La Grange community, a community some 150,000 strong, but also a successful educational project.

General Manager Chris Thomas explains, "It's kind of fun to say it's really been a student-led effort from the get-go here at [WLTL](#)...Fifty years later, we've one hundred plus students involved, doing podcasting, doing live radio shows, doing music reviews, blog writing, I mean things that the founders never could have imagined existed back in 1968....And that seems weird when you think

**Supporting Ukraine**

On the 24th of March, a coalition of [GRC](#) members played the Ukrainian National Anthem in support of Ukraine and peace. Afterwards, a list of all the stations involved was shared with our allies in Ukraine. The GRC plans to continue marking the 24th with a community radio simulcast as long as the war continues.

There are also talks about making a show of solidarity with independent media outlets in Russia. If you would like to be involved or have ideas on this topic, please contact Sharon Scott ([WXOX Louisville](#)) [gm@artxfm.com](mailto:gm@artxfm.com).

## Meet Talulah McFadden!

Meet our leader at the Pacifica Affiliate Network office - Talulah McFadden! She keeps us on our toes with a telescope trained on the future (we're not sure - it may actually be a vape), while balancing on a star-studded ball and delivering her rallying cry: "Hey Randos, what's comin' down the pipe!?"

Talulah is a Minnesotan. Last November, we - Ursula, Ruth and Stephanie - had a week-long work retreat in a family-owned cabin on the shores of the pristine Lake Kabekona in Minnesota's lake country. For fun, one night, we played Combination Man (a tradition in Ursula's family from the old country otherwise known as "Exquisite Corpse") and Talulah suddenly sprang into existence, stunning us with her balance, unwavering focus, inspired speech and her strength as a woman unafraid to be weird. Always ready to give us inspiration, she presides over the office from above the kitchen table.

Getting to know a new group of volunteers? Want some guaranteed fun and camaraderie at a staff meeting? (You, too, may even discover a new leader, mascot, or some new volunteers!) It takes all kinds in community radio-right?!

PS To add flair, we like to create names & quotes for our characters as part of the game.
